NEXT HOME GAME AT WOLLONGONG SHOWGROUND

Monday, April 23 - Wollongong City v Newcastle Rosebuds

Youth Game - 12.45 P.M.

Main Game - 3 p.m.

What the Coach says:

● ADRIAN ALSTON

Well I must say its been a highly successful few days for the Wolves, gaining three points from two games.

After our great win midweek against Croatia we went to Melbourne full of hope for another win.

After a good start from a great Fontana goal we were robbed by another poor referee's decision, but all in all we were happy to come home with a point.

I have to say I'm very proud of all the lads at the club especially Phil Kerr and Grant Isedale who were left out of the squad last week, their attitude has been tremendous.

A big thank you to all the supporters who turned up at Dapto Showground on such an awful night to help the lads on to a much needed win. Also let's not forget the ball boys they did a great job in the rain.

OUR VISITORS

I'd like to welcome today's guests Parramatta Melita who are having a great run at the moment in the National League.

The coach Raul Blanco had put together a very strong side who also play attractive soccer.

They have strung quite a few wins together, not to mention the 1-0 against St. George and are sitting up at the top of the table.

Let's hope the Wolves can knock them off the top with another win today.

Watch out today for Peter Beggs he is really starting to look dangerous.

Adrian Alston

CLUB NEWS

The last general meeting held in the Fraternity Club was attended by some 30 odd members. There were some lively discussions and various suggestions were made. Some members are obviously not happy with the performance of the club but the majority can see that most decisions taken in the club in the last few months have been made in relation to the financial survival of the club. Each and every one of the Board members took on a job at the last Annual General Meeting which a lot of other people would not consider when the financial position of the club was revealed. Each and every one of those Board members feels the necessity of maintaining Wollongong City Soccer Club and is prepared to work hard to see that the club not only survives but continues to be a source of entertainment for not only you, but your children and your children's children.

Support is necessary now from you the supporter to ensure that your son or maybe your grandson may one day have the opportunity to play for Wollongong in Australia's top soccer competition.

Man-of-the-Match awards have been donated in the form of a dinner for two from the Beachhouse, Jule's Tavern and Tanija's Tavern. So far Craig Baker, Ves Najdovski, Tony Corradini from the Youth team and Brian Condran, David Green, Larry Gaffney, Ray Vlietstra and Natch Vardareff from the Senior team have won these awards and we are extremely grateful to the owners of the above restaurants for their generous donations. Remember if you feel like dining out visit either the Beachhouse, Jule's Tavern or Tanija's Tavern.

We were delighted that the raffle conducted at our last home match against Sydney Croatia was won by one of our most ardent supporters Tony Pirnar. He won a bottle of Ouzo - Don't drink it all at once Tony.

Today's Visitors

We extend a welcome today to our visitors from the northern "Twin Steel City" of Newcastle.

Newcastle have had strife in the club recently and Adamstown Rosebuds have come to the rescue. This means Newcastle can still compete in the N.S.L. and we always look forward to these games even though this one might lack the edge of previous games.

Newcastle however, are still in a sound position on the table and will, I'm sure, be playing with determination to keep the position.

Len Chafer

Senior Team Report

It was very pleasing to see the "Wolves" win their first two points, against Sydney Croatia on Tuesday last at Dapto Showground. What a pity the weather was not kind to us, as this game would have been a good crowd puller.

However, the fans who did turn up watched an exciting and clean game. Both teams turned on the action and both made mistakes, as the rain poured down. But it was all worthwhile when the final whistle went, and those valuable two points were ours.

Nowadays Referees and Linesman come in for plenty of criticism. On this occasion however, they all did a good job and referee Richard Lorenc kept the game flowing as much as possible, and it was a credit to him, in what were awful conditions.

Sunday last the Wolves visited Green Gully in Melbourne and came away with a point. Green Gully, like the Wolves, are struggling to get away from the bottom of the table. The Wolves took the lead after half-time with a well taken goal by Glen Fontana. Green Gully equalized with a penalty which gave them a share of the points.

We have two hard games Easter Weekend when we play Melita Eagles on Good Friday and Newcastle on the Easter Monday.

I think we have now turned the corner, and with your support we will collect more win points.

Len Chafer

Youth Team Report

Since our last report the young Wolves have played two matches in the space of five days, narrowly losing both.

The first of these matches was against Sydney Croatia last Tuesday evening at Dapto Showground. The Wolves went to the lead after 13 minutes through a well taken goal by Tony Corradini but Croatia equalised at 32 minutes to make the score 1-1 at half-time. Croatia scored again immediately after the break to lead 2-1. In the 70th minute Peter Rogers scored with a magnificent shot from a free kick 25 metres out. 2-2 just when it seemed as though the Wolves would gain their first point for the season Croatia scored again to run out 3-2 winners.

Jamie Dummett was carried from the field in this match with a suspected broken ankle but we are pleased to report that the x-rays showed that there were no breaks and Jamie should be able to return soon.

The second match was last Sunday, at Blacksmiths ground, Newcastle. It seems that the youth squad is a group that doesn't travel well as it took them half of this match to start playing anything like the football that they are capable of. This was reflected in a half-time score that flattered them, only being down by one goal. In the second half they matched the speedy Novocastrians and were unlucky on several occasions. Twice hitting the crossbar, once by Steve Ristevski and once by Tony Corradini. But with no further goals being added Newcastle won the game 1-0.

The best players over the two matches were, Tony Corradini, Craig Baker, Brett Farragher, Glen Anderson and Ves Najdovski.

For the past two home games, deduction forms for the newly established AIS payroll deduction scheme have been distributed. If you know of anyone working at the AIS, Port Kembla Steelworks who is a soccer supporter or a general sporting group supporter, try and convince him that by contributing just a little each week he will be investing in the future. The future of the Wollongong City Soccer Club that is, the club that maybe his son or maybe his grandson, may one day play soccer for.

We are very grateful Bradmill Textiles from Melbourne who were kind enough to donate the Canvas for the Junior Hot Shot Competition target. This assistance is greatly appreciated by our club.

What a tremendous roar went up in the Dapto grandstand when Peter Kotamanidis headed in the winning goal against Sydney Croatia. It was a pleasure to see so many happy faces.

Everyone will agree we feel sure that the three soccer players who doubled as models at the Fashion Parade, held at the Fraternity Club last week contributed greatly to the success of the evening. Good on you Natch, Peter and Ray. Together with the other models, the compere, the music and the Spanish Dancers it was a great night. Congratulations to Carla Santangelo and her friends for organising such a successful fund raising evening.

Injuries have certainly struck our club this year, more so than ever before, and the number that had to go to hospital is unreal. Pat Brodnik, Ray Vlietstra started it in Canberra and since then Craig Baker and Jamie Dummett have also had a ride in the Ambulance. Except for Pat the injuries have been torn ligaments and bad bruising. Jamie is particularly unlucky as his chances of gaining a place in the Under 18 NSW team are in jeopardy. Brian Condran and Ron Glass were also injured and we hope that all boys will recover quickly and that these type of accidents are behind us.

We are pleased to report that popular soccer writer Phillip Micallef is now the proud father of a baby boy named IVAN. No doubt soccer boots will soon be on the Christmas shopping list.

Wollongong City Soccer Club is organising buses to all the International games in Sydney. Tickets can be booked at the supporters stand or at the soccer office 84 7135.

PLEASE MAKE YOUR BOOKING EARLY and enclose your money as no seats can be held without prior payment.
